Wye Salmon Association with the Game Angling Instructors Association and Island Stream Angling Society invite you to join them at their casting clinic. We have 30 x 45 minute sessions available between 10.00am & 4.00pm each with a qualified GAIA Instructor. Sessions can be pre booked for one (£25) or two (£35) people. GAIA Instructors will be delighted to tailor the session to suit your needs or look at your casting action and advise on adjustments, Spend midday meeting old friends, have a bite at the BBQ, buy a few of your favourite flies for the new season or perhaps discussing an opportunity for a season rod with one of the beat owners or gillies who will be available during the day. Find out how Citizens Science works, maybe even volunteer.
